SECTION 1 - PROJECT SUMMARY

1.1 GOAL & OBJECTIVES

Department Mission

The mission of the California Department of Parks and Recreation is to provide for the health, inspiration, and education of the people of California by helping to preserve the state's extraordinary biological diversity, protecting its most valued natural and cultural resources, and creating opportunities for high-quality outdoor recreation.

Off-Highway Motor Vehicle Recreation Division Mission

The Mission of the OHMVR Division is to provide leadership statewide in the area of off-highway vehicle (OHV) recreation; to acquire, develop, and operate state owned vehicular recreation areas (SVRA's), and to otherwise provide for a statewide system of managed OHV recreational opportunities through funding to other public agencies. To insure that quality recreational opportunities remain available for future generations by providing for education, conservation, and enforcement efforts that balance OHV recreation impact with programs that conserve and protect cultural and natural resources.

Goal of this Request for Proposals (RFP)

The goal of this Request for Proposal (RFP) is to award five (5) year contract with the State's option to extend for up to five (5) additional years to a qualified entity to equip, operate, and maintain the Go-Kart Track for competition events and practice times at Prairie City SVRA.

Objectives of this Concession

The objectives of this concession opportunity are:

- Develop, equip, manage, and maintain high-quality, reasonably priced go-kart track facilities and services to the public;
- Promote and complement safe, enjoyable, and high-quality recreational experiences for all park users.

1.2 GENERAL INFORMATION

Site Description

Prairie City SVRA is situated at the base of the Sierra Nevada foothills, 20 miles east of downtown Sacramento and three miles south of U.S. 50. The area offers off-highway vehicle enthusiasts a variety of interesting terrain and trails for motor cycles, all terrain vehicles, and 4-wheel drive vehicles. Additionally, the park has a Motocross Track, ¼ Midget Track and Remote Control Car Track.

Current Concession Operation

The gross sales and rent for the last five years as reported by the current concessionaire are as follows:

<u>Fiscal Year</u>	<u>Gross Receipts</u>	<u>Rent to State</u>
2007/08	\$124,212	\$7,481
2006/07	\$202,070	\$11,416
2005/06	\$135,051	\$7,859
2004/05	\$311,521	\$31,041
2003/04	\$175,843	\$17,475

NOTE: The preceding is for general information only; the State does not guarantee its accuracy. It is recommended that proposers personally investigate the premises and park environs.

Resource Significance

The open grasslands, oak woodlands and riparian areas found within Prairie City SVRA attract a wide range of birds and other wildlife that reside in the area. Red-tail hawks and kestrels are often seen soaring in the skies above and deer and coyotes forage for food in the morning and evening hours. Providing long-term, sustained OHV recreation opportunity is a top priority in SVRA management. Provisions in California law require actions to stabilize soils and to provide for healthy wildlife populations in OHV recreation areas. Sites exist throughout the SVRA which have become eroded. There are projects ongoing to stabilize eroded areas by reshaping slopes, and by reseeding and replanting bare areas. Several water basins are found through out the park, and are maintained to provide safe, high quality riparian habitat as well as for retention of sediment.

Supplemental Information

At its sole discretion, the State reserves the right, but does not have the obligation, to seek supplementary information or clarification from any proposer at any time between the dates of proposal submission/acceptance and the contract award. Proposal Evaluation

All proposals received shall be evaluated for form and content in accordance with the requirements of this RFP. The Contract Award Board will evaluate and score each eligible proposal pursuant to the point system and selection criteria as described in the Proposal Instructions and Proposal Evaluation Form. **Proposals not containing all of the items in the Concession Proposal form (DPR 398) may be rejected.**

The "Best Responsible Proposer" will be the bidder whose proposal passes each of the required elements and receives the highest total score as determined by the Contract Award Board and approved by the Director. Execution of the awarded concession contract is subject to approval by controlling agencies of the State, which include the Department of General Services and the Attorney General, and will not be binding on the State or the successful proposer until such approval is obtained.

The statement shall be signed by the protestor, shall specify the grounds for the protest and may include a demand for a hearing. Failure to file a verified petition within the ten-day period shall constitute a waiver of the right to protest. Protests must be sent to:

Director
California Department of Parks and Recreation
1416 Ninth Street
P O Box 942896
Sacramento, California 94296-0001
Fax: 916-657-3903

However, no material change to the contract or its exhibits as presented in the RFP and in the selected proposal may be made.

Performance Bond and Insurance

The successful proposer will be required to submit a Performance Bond and evidence of insurance required under the contract. Failure to submit the bond and/or insurance verification within the time limit presented may be treated as a refusal to execute, if the State so elects. The State may take the Proposer Bond and select the next Best Responsible Proposal.

Failure to Sign/Deliver Contract

A failure of the successful proposer to sign and deliver the contract within thirty (30) days of receipt may be treated as a refusal to execute, if the State so elects. The State may retain the Proposer Bond and select the next Best Responsible Proposal.

Please submit one reference for each reference type required below. However, to adequately substantiate the claims you have made in your proposal, you are encouraged to provide three references that are familiar with you and your business. The plan should clearly commit you to a program that will minimize negative impacts on the environment and encourage park visitors to do the same consistent with Sample Contract Section 21 Resource Conservation. Plan must address collection and disposal of hazardous materials such as used motor oil and tires resulting from new product sales throughout the park unit.

Accessibility

Provide a plan for and commitment to ensuring disabled visitors will have access to all of the services provided through the concession operation in accordance with the American's with Disabilities Act of 1990, the Rehabilitation Act of 1973, and California Government Code Sections 4450 et. seq. and 7250.

Safety and Security

Provide a plan for and commitment to ensuring the safety of visitors and employees and protection and security of the concession premises and facilities. At a minimum, provide appropriately certified Emergency Medical Technician personnel and ambulance service for all race events.

B. Interpretive Plan

The Interpretive Plan is a critical element of a concession and, consequently, can be very influential in the selection of the successful proposal. The Interpretive Plan from the successful proposal, after the State's review and approval, shall be included as an exhibit to the contract. The State reserves the right to include or exclude any item or items in the Interpretive Plan that the State determines do not meet the intent of the RFP or the mission of the Department.

Business' Interpretive Theme

Describe the interpretive theme of your business

Business' Ambiance

Describe your plan to develop and implement park ambiance including such things as furnishings, signs, wall treatment, advertising, window coverings, equipment tools, display shelves, counters, tables, chairs.

Educational Activities

Describe your plans to incorporate and communicate as part of daily operations "Tread Lightly", natural resource protection while providing high quality recreational experience, and safety guidelines as part of daily operations.

C. Rental Offer

The concessionaire will be required to pay as annual rent a guaranteed amount (Rental Guarantee) or a Percentage of Gross Sales, whichever is greater. Proposers shall bid both the Rental Guarantee and the Percentage of Gross Sales as specified in the Concession Proposal form (DPR 398). For the purposes of this RFP, the Rental Guarantee must be at least ten thousand dollars (\$10,000) and the Percentage of Gross Sales must be at least six percent (6%). Any offer below the minimum rent requirements will result in proposal disqualification.

D. Concession Feasibility

Document your ability to successfully initiate the proposed concession in a financially responsible manner, in accordance with the terms and conditions of the sample contract and your Operation, Facility, and Interpretive Plans (as applicable). This information must substantiate your ability to: develop, furnish, equip, operate and maintain the concession in a high-quality manner; provide the public with quality products and services at reasonable and competitive prices; pay the State the rental offered; and provide a reasonable return on your investment. Fiscal documentation that will be considered in awarding points includes a financial pro forma; statement of assets and liabilities; business, vendor, bank, and/or financial references; and similar documents. You may provide information in addition to that required in the Concession Proposal form (DPR 398), but do not alter the format in any way. You must respond to each item in the order listed with the information requested or N/A.

III. PROPOSAL SUMMARY

The Proposal Summary should summarize your relevant experience, knowledge, and expertise, and your Operation, Facility, and Interpretive Plans (as applicable) in 250 words or less.

IV. CERTIFICATION OF PROPOSER INFORMATION

A request may be made to the National Labor Relations Board for information regarding Administrative Hearing decisions against each proposer. You must have no more than one final, unappealable finding of contempt of court by a federal court issued for violation of the National Labor Relations Act within the two-year period immediately preceding the closing date of this RFP or your proposal will be disqualified.

B. Proposer Certification

A completed certification is required with your proposal or it will be disqualified.

C. Authorization to Release Information

A signed authorization for each individual, partner, member of joint ventures, officer of corporations, Concession Manager, and holders of 25% or more of the company's shares (as applicable) must be included or the proposal will be disqualified.

V. PRIVACY NOTICE

This section provides notice to proposers. No action by proposers is necessary.

**3.2
EVALUATION CRITERIA**

PROPOSAL

Incumbent Preference

5 Points

Incumbent proposals are awarded points based on annual Performance Evaluations (See DPR 531 in the Sample Concession Contract) performed by the State as follows:

Overall Rating of Evaluation	Number of Years Rating Was Received	Points Awarded
“Excellent”	3 out of last 3 years	5 points
“Excellent” with no “needs improvement” or “unsatisfactory”	2 out of last 3 years	3 points
“Excellent” with no “needs improvement” or “unsatisfactory”	1 out of last 3 years	2 points
Satisfactory	3 out of last 3 years	1 point
“needs improvement” or “unsatisfactory”	1 out of last 3 years	- 1 point
“needs improvement” or “unsatisfactory”	2 out of last 3 years	- 3 points
“needs improvement” or “unsatisfactory”	3 out of last 3 years	- 5 points

Small Business Preference

5 Points

Five points will be awarded to those proposers who have a complete and certifiable application on file with the Office of Small Business Certification.

Experience

20 Points

For the purposes of this RFP, proposers must have a minimum of five (5) years experience owning, managing, or operating a business of similar size, type, and scope as the concession operations set forth and envisioned by this RFP. The proposer will be rated according to the years of relevant experience as verified by references and the quality of experience as it relates to the business described in this RFP. In addition, points are awarded for experience contracting with public agencies.

Operation Plan

35 Points

Points will be awarded based upon the degree to which the proposal addresses each of the required elements of the Operations Plan (as identified in the DPR 398, Concession Proposal) and demonstrates an understanding of and commitment to achieving the objectives of this RFP. In addition, points will be awarded based upon the proposer’s demonstrated ability to implement the components of the plan. More points will be awarded to proposals that provide high-quality goods and services that are consistent with the intent of the RFP and the mission of the park.

Interpretive Plan

5 Points

Points will be awarded based upon the degree to which the proposal demonstrates an understanding of the park’s interpretive programs and contributes to the overall

interpretive messages of the park. More points will be awarded to proposals that integrate the park's interpretive theme into the daily operation of the concession.

Rental Offer

30 Points

For the purpose of assigning points in the Proposal Evaluation, the highest acceptable* rental offer for each category of rent required (Rental Guarantee and Percentages of Gross Sales) will be assigned the maximum points available for that category. Each lower rental offer will be assigned points in relation to the highest rental offer as follows:

Rental Guarantee (Minimum bid is Ten thousand dollars (\$10,000))

$$\frac{(\text{Bid Amount}) \text{ minus } (\$10,000)}{(\text{Highest Bid Amount}) \text{ minus } (\text{Guaranteed Rent})} \times 15 \text{ points} = \text{_____ points}$$

Percentage of Gross Sales (Minimum bid is six percent (6%))

$$\frac{(\text{Bid Amount})}{(\text{Highest Bid Amount})} \times 15 \text{ points} = \text{_____ points}$$

*Note: the highest bids received may not be considered acceptable. Proposers may be required to prove to the satisfaction of the State their ability to operate a successful business under their rental offer. Failure to prove this ability will be cause to disqualify the proposal. In this case, the second highest acceptable bid would be used to calculate points awarded.

STATE OF CALIFORNIA
DEPARTMENT OF PARKS AND RECREATION

CONCESSION CONTRACT

For

Go-Kart Track Special Events Operations

Located In

Prairie City State Vehicular Recreation Area

Sacramento County

THIS CONTRACT is made and entered into by and between the STATE OF CALIFORNIA, acting through its Department of Parks and Recreation, hereinafter referred to as "State", and **(Concessionaire Name)** of **(City, State)**, hereinafter referred to as "Concessionaire";

RECITALS

WHEREAS, California Public Resources Code Section 5080.03 et seq. authorizes the Department of Parks and Recreation to enter into concession contracts for the operation of state park system lands and facilities and;

WHEREAS, it is appropriate that the following contract be entered into for the safety and convenience of the general public in the use and enjoyment of, and the overall enhancement of recreational and educational experience at units of the state park system;

**NOW, THEREFORE, IT IS MUTUALLY AGREED BY AND BETWEEN
THE PARTIES AS FOLLOWS:**

1. DESCRIPTION OF PREMISES

The State for and in consideration of the agreements hereinafter stated, grants to Concessionaire for the purposes stated herein, the right, privilege, and duty to develop, equip, operate, and maintain a nonexclusive concession in Prairie City State Vehicular Recreation Area (SVRA) at the location(s) as set forth in **Exhibit A**, attached to and made a part of this Contract (the "Premises").

The possessory interest herein given to the Concessionaire does not exclude the general public from the Premises; however, the use by the general public is limited by the terms and conditions of the possessory interest given herein. This Contract is not intended to confer third party beneficiary status to any member of the public who is benefited by the terms of this Contract. The possessory interest is further subject to all valid and existing contracts, leases, licenses, encumbrances, and claims of title that may affect the Premises.

2. CONDITION OF PREMISES

The taking of possession of the Premises by the Concessionaire, in itself, shall constitute acknowledgment that the Premises are in good and sufficient condition for the purposes for which Concessionaire is entering into this Contract. Concessionaire agrees to accept Premises in their presently existing condition, "AS IS", and that the State shall not be obligated to make any alterations, additions, or betterments to the Premises except as otherwise provided for in this Contract.

3. TERM

The term of this Contract shall be for a period of five (5) years with the State's option to extend for up to five (5) additional years, commencing on the first day of the month following approval by the California Department of General Services. Should Concessionaire hold-over after the expiration of the term of this Contract with the express or implied consent of the State, such holding-over shall be deemed to be a tenancy from month-to-month at the herein stated prescribed rent as set forth in this Contract in Section 31, "Surrender of Premises; Holding Over", of this Contract, with

continuous Consumer Price Index adjustment, as defined below, subject otherwise to all the terms and conditions of this Contract.

For purposes of this Contract, the term "Contract Year" shall mean each one-year period of time that commences on the commencement date identified above, extending twelve (12) months therefrom, and continuing from each anniversary throughout the term of the Contract.

4. **RENT**

Concessionaire shall pay, without offset, deduction, prior notice, or demand, as "Minimum Annual Rent" the sum of (\$\$ amount of Guaranteed Rent) or the following percentage of gross receipts, whichever sum is greater:

(per proposal) percent of monthly gross receipts

Beginning with Contract Year Six (6) and on the first day of each fifth Contract Year thereafter, the Minimum Monthly/Annual Rent Guarantee shall be adjusted to reflect changes in the Consumer Price Index (CPI). Such CPI adjustments shall be made in accordance with the procedure set forth in **Exhibit B**, attached to and made a part of this Contract.

Concessionaire shall make payment of Minimum Monthly Rent and other payments to State in lawful money of the United States. However, if any payment made by a check, draft, or money order is returned to State due to insufficient funds or otherwise, State shall have the right, at any time after the return, upon written notice to Concessionaire, to require Concessionaire to make all subsequent payments in cash or by cashier's or certified check.

Beginning with the fifteenth (15th) day of the month following the execution of the Contract and on or before the fifteenth (15th) day of each month thereafter, Concessionaire shall furnish to State a verified statement of the concession's gross receipts for the preceding month. Such statement shall be submitted on Form DPR 54, "Concessionaire's Monthly Report of Operation", attached hereto as **Exhibit C**, or in a format previously approved by the State, and shall specify the current period and cumulative total of gross receipts for the concession through the end of the preceding month for the then current Contract Year. Concurrent with such monthly statement, the

Concessionaire shall pay to State the appropriate rental fee for the preceding calendar month as prescribed above. Payments to State shall be made to the order of the Department of Parks and Recreation and delivered to the District Office identified herein below or at such other location as may from time to time be designated by State. If, at the end of the Contract Year, the total of monthly percentage rental payments made (or due) during that Contract Year is less than the Minimum Annual Rent required for that Contract Year, the difference shall be remitted to State with the last monthly sales statement for the Contract Year. Payments must be received by State on or before the fifteenth (15th) day of the month as described above. Any late payment shall constitute a breach of contract, giving rise to State's remedies as set forth below. Further, any late payment will be subject to a late penalty consisting of an administrative charge on the late amount, calculated at the rate of five percent (5%) of the amount of the late payment or portion thereof. The parties agree that the late charge represents a fair and reasonable estimate of the costs State will incur because of late payment. Acceptance of the late charge by State shall not constitute a waiver of Concessionaire's default for the overdue amount, nor prevent State from exercising the other rights and remedies granted under this Contract. Concessionaire shall pay the late charge as additional rent with the next monthly rent payment.

_____ **[Initials of concessionaire(s)]**

Any amount due to State, if not paid within five (5) days following the due date, will bear interest from the due date until paid at the rate of ten percent (10%) per year or, if a higher rate is legally permissible, at the highest rate legally permitted. However, interest shall not be payable on late charges incurred by Concessionaire, nor on any amounts on which late charges are paid by Concessionaire, to the extent this interest would cause the total interest to be in excess of that legally permitted. Payment of interest shall not excuse or cure any default by Concessionaire.

Upon written request by the Concessionaire to State demonstrating unusual or extenuating circumstances causing the late payment, the State, in its sole discretion, may waive the late charge. Further, in the event Concessionaire is prevented from carrying on the operations contemplated herein by reason of an Act of Nature or other reasons beyond Concessionaire's control, and when requested in writing in advance by

Concessionaire, Minimum Rent may be abated in proportion to the amount by which gross receipts are reduced by the occurrence for such period of reduced or non-operation, as determined in the sole discretion of State.

If this Contract is terminated by State because of Concessionaire's default, and if Concessionaire becomes liable for any deficiency in rent and/or fees by way of damages or otherwise, or if at any time during the Contract term Concessionaire ceases to conduct in the Premises the business referred to herein below, then from and after the time of the breach causing this termination, or from and after the time of the cessation of business, all unpaid rent and/or fees prior to the breach causing termination or cessation of business shall become due and payable. The amount due shall be deemed to be the greater of: (a) the Minimum Rent provided herein, or (b) an amount based upon the average of the payments that have accrued to State as percentage rent during the twenty-four (24) months preceding the termination or cessation of business, unless the termination or cessation occurs within three (3) years of the beginning of the Contract term, in which event the previous twelve (12) (or fewer, if applicable) months shall be used as the basis of this average.

5. USE OF PREMISES

The Premises shall be used by the Concessionaire to promote and manage high-quality go-kart race events and to provide scheduled public access to the premises for professional and amateur riders of different ages and skill levels. Concessionaire may provide go-kart vehicle riding lessons with prior written State approval. The Concessionaire shall equip, operate, maintain, and manage the Go-Kart Track Special Event Area located in Prairie City SVRA. In this regard, Concessionaire shall:

- (a) Obtain State's prior written approval for all events. Submit requests to State for approval of all desired events thirty (30) business days in advance.
- (b) Submit a proposed annual event calendar with quarterly updates for State approval. Once approved by the State, post on both park bulletin boards and provide to State monthly event calendars by the first of each month with a schedule of fees for each event.

- (c) Obtain required approval from the State before renting out premises to other organizations.
- (d) Obtain required approval and Special Event Permit from the State before renting out premises for any outside organization's special event.
- (e) Incorporate the park's interpretive themes of "Tread Lightly", the general concept of "natural resource protection while providing a high quality recreational experience" and "safety first" recreation into the overall operation of the concession, including promotional materials.
- (f) Provide technical inspection of all motor vehicles entering the facility and shall ensure they meet all applicable California Vehicle Code requirements. Consistent with California State Law, a 96 dB sound standard for off-highway vehicles applies to this facility. If this standard is changed by State law, any revisions may apply to this facility.
- (g) Equip, operate, maintain, and manage the premises in such a manner that there is no soil loss due to mechanical erosion or loss of wildlife habitat.
- (h) Provide a minimum of one (1) ambulance and two (2) Emergency Medical Technicians (EMT), present at all times during each scheduled race event. EMTs must be properly equipped and hold current certifications and/or licenses in Sacramento County.
- (i) Obtain the State's prior written approval for modifications to the existing track and/or roads, and for the provision and/or installation of additional services or facilities, including, but not limited to a mini-track, practice track, or roads.
- (j) Secure the Premises to prevent unauthorized access whenever the facility is closed. Concessionaire shall provide necessary equipment (including locks) and shall provide the State the ability to access the Premises (including keys and combinations) at all times.
- (k) Provide scheduling priority for designated annual historic racing events. Dates will be coordinated with the promoters, the Concessionaire and the State.
- (l) Comply with the letter and spirit of current and subsequent laws, regulations, guidelines or plans governing State, including but not limited to, General Plan amendments or updates, management and interpretive plans, historic structure

reports, California Environmental Qualities Act, Americans with Disabilities Act, Department Accessibility Guidelines, and others.

Security: Concessionaire will require all concession employees and volunteers in positions of special trust as determined at the sole discretion of the District Superintendent or designee to undergo a background check, including references and fingerprints, to ensure that the individual has an acceptable record as a law-abiding citizen. The background check may be similar to the California Department of Justice's Live-Scan Program. Concessionaire shall be responsible for covering all costs associated with said background checks. Any criminal offenses that have a nexus to said job should be considered as a basis for rejection from hire.

The Use of Premises will be consistent with the State approved "Operation Plan" and "Interpretive Plan" as proposed by Concessionaire and modified by State as is reasonable and necessary to meet the intention of the State for this concession operation and the mission of the Department. The approved "Operation Plan", and "Interpretive Plan" are incorporated herein and made part of this Contract as **Exhibits D, and E**, respectively.

Concession services shall be provided at least three days per week, and shall include all Saturdays, Sundays and holidays falling on Mondays, excluding December 25th, for a minimum of eight (8) hours per day, unless prior written approval for exception is given by State, during each year of the contract. In the event State deems the hours of operation inadequate for proper service to the public, State may require Concessionaire to adjust the days and/or hours of operation to a schedule provided by State. Concessionaire may remain open on other dates, observing same (or longer) hours, at Concessionaire's discretion with the concurrence of State. In the event of adverse weather or other operating conditions, State may permit the concession to close at any time during the term of this Contract.

State may, at its discretion, with thirty (30) days written notice, close all or part of the Go-Kart Track Special Event Area for internal or public events in addition to those stated in (k) above. State will work to minimize any negative impact this event could have on Concessionaire's operation. All special event permit requests from third parties

to use all or a portion of the Park must be approved by the State, subject to Concessionaire's concurrence. It is expected that the Concessionaire will be reasonable compensated by the third party for all losses associated with special events. The concessionaire will be required to report such compensation to DPR as gross receipts and make the appropriate rent payment. Concessionaire shall not use or permit the Premises to be used in whole or in part during the term of this Contract for any purpose other than as herein set forth without the prior written consent of the State.

6. LIABILITY WAIVER

Concessionaire shall require that a liability waiver, equivalent to the waiver attached hereto as **Exhibit F**, "Waiver of Liability and Release" and incorporated herein by this reference, be executed between Concessionaire and each concession patron prior to the start of each rental or tour. Such waiver is subject to the State's approval and shall release State, its officers, employees, and agents from any liability resulting from any claim associated with services, equipment, and activities provided and facilitated on each rental or tour. The liability waiver text shall be pre-printed, and must be signed by every person participating in each rental or tour within the Premises as permitted in this Contract. Concessionaire shall make signed liability waivers available to State inspection and shall provide copies upon request. All required waivers shall comply with any and all conditions precedent to insurance coverage as required herein.

7. BONDS

A. All bonds required under this Contract must be in a form satisfactory to State, issued by a corporate surety licensed to transact surety business in the State of California.

B. Performance Bond: Concessionaire, at Concessionaire's own cost and expense, agrees to obtain and deliver to State, prior to the commencement date of this Contract and prior to entering the Premises, and shall maintain in force throughout the term of this Contract, a valid Performance Bond (which may be renewed annually) in the sum of Minimum Annual Rent payable to the State. This bond shall insure faithful performance by Concessionaire of all the

covenants, terms, and conditions of this Contract inclusive of, but not restricted to, the payment of all rentals, fees, and charges and prompt performance of and/or payment for all maintenance obligations. In lieu of a bond, the Concessionaire may substitute another financial instrument (such as an Irrevocable Standby Letter of Credit), which must be sufficiently secure and acceptable to State. At least thirty (30) days prior to the expiration or termination of said bond or acceptable financial instrument, a signed endorsement or certificate showing that said bond or financial instrument has been renewed or extended shall be filed with the State. Within 15 days of State's request, Concessionaire shall furnish State with a signed and complete copy of the valid bond or financial instrument.

C. Concessionaire acknowledges that allowing the Performance Bond or other security instrument(s) to expire or otherwise terminate and/or allowing the total secured amount to fall below the security required herein will cause State to incur costs and significant risks not contemplated by this Contract, the exact amount of which will be difficult to ascertain. These costs include, but are not limited to, administrative costs and other expenses necessary to ensure continued performance of services for the public and protection of the Premises. Accordingly, if Concessionaire allows the Performance Bond or other security instrument to expire or otherwise terminate and/or allows the total secured amount to fall below the security required pursuant to this Contract, Concessionaire shall pay to State an amount equal to five percent (5%) of the required security or five thousand dollars (\$5,000), whichever is greater. The parties agree that this charge represents a fair and reasonable estimate of the costs State will incur. Acceptance of this charge by State shall not constitute a waiver of Concessionaire's default, nor prevent State from exercising the other rights and remedies available to it under this Contract or applicable law, including the right to terminate this Contract and seek the payment of damages.

_____ **[Initials of concessionaire(s)]**

8. INSURANCE

A. Concessionaire shall provide before entering the Premises and shall maintain in force throughout the term of this Contract the following insurance:

- 1) Commercial Liability Insurance. Concessionaire shall maintain general liability on an occurrence form with limits not less than \$1,000,000 per occurrence for bodily injury and property damage liability combined with \$2,000,000 annual policy aggregate. The policy shall include coverage for liabilities arising out of Premises, operations, independent contractors, products, completed operations, personal and advertising injury
- 2) Automobile Liability. Concessionaire shall maintain motor vehicle liability with limits not less than \$1,000,000 combined single limit per accident. Such insurance shall cover liability arising out of motor vehicles including owned, hired and non-owned motor vehicles used by Concessionaire in the conduct of business under this Contract.
- 3) Workers' Compensation Insurance. Concessionaire shall maintain statutory worker's compensation and employer's liability coverage for all its employees who will be engaged in the performance of this Contract. Employer's liability limits of \$1,000,000 are required.
- 4) Property Insurance. Concessionaire shall provide property coverage for damage caused by fire, vandalism or natural disaster with limits based on the estimated replacement value of facilities occupied by Concessionaire.

B. In the event of destruction, loss, or damage by fire or other cause of any of the State-owned buildings, improvements, or fixtures located on the Premises that the State determines (1) to be essential to the continued operation of the Contract and (2) cannot be repaired within one-hundred-eighty (180) days of the occurrence, the State may terminate this Contract. A decision by the State to terminate the Contract under this provision shall be communicated in writing to Concessionaire as soon as practicable. If the Contract is so terminated, State shall be entitled to the proceeds payable under any applicable insurance policies

pertaining to the loss as its interest may appear. Receipt of such proceeds by State shall be in addition to the right of State to pursue whatever other remedies it may have to recover any losses due to the occurrence. If the State determines not to terminate the Contract, then, in State's discretion, any buildings, improvements, or fixtures built in replacement of any damaged or destroyed property shall be subject to the terms and provisions of this Contract as if they had existed at the onset. In no event shall the provisions of this Section be deemed or construed to relieve Concessionaire from the requirement to repair or replace any damaged or destroyed property except as specifically excepted by express terms of this Contract.

C. Each policy of liability insurance shall apply separately to each insured against whom claim is made or suit is brought subject to the Concessionaire's limit of liability. The policy must include the State of California, Department of Parks and Recreation, its officers, agents, employees and servants as additional insured. This endorsement must be supplied under form acceptable to State.

Any subcontractors shall be included under Concessionaire's policy or provide evidence of coverage equal to limits and policies required of Concessionaire

D. Insurance policies shall contain a provision stating coverage will not be cancelled without 30 days prior written notice to State. In the event Concessionaire fails to keep in effect at all times the specified insurance coverage, State may, in addition to other remedies it may have, terminate this Contract upon the occurrence of such event, subject to the provisions of this Contract.

E. Each policy shall be underwritten to the satisfaction of the State. Concessionaire shall submit to State a signed and complete certificate of insurance with all endorsements required by this Section, showing to the satisfaction of State that such insurance coverage has been renewed or extended. Concessionaire shall keep all records for a period of at least four years.

In accordance with Public Resources Code Section 5080.18(c), State shall have the right through its representative and at all reasonable times to conduct such audits as it deems necessary and to examine and copy Concessionaire's books and records including all tax records and returns. Concessionaire hereby agrees to make all such records, books, and tax returns available to State upon State's request. Concessionaire further agrees to allow interviews of any employees who might reasonably have information related to such records.

Concessionaire will submit to State, no later than May 1st of each year during the term of this Contract, a verified profit and loss statement for the previous calendar year. Such statement shall be submitted on Form DPR 86, "Concessionaire's Financial Statement", attached hereto as **Exhibit G**, or in a format previously approved by the State, and shall contain an appropriate certification that all gross receipts during the yearly accounting period covered by said statement shall have been duly and properly reported to the State. Within forty-five (45) days of the expiration or termination of this Contract, Concessionaire shall submit to the State a profit and loss statement for the period of operation not previously reported prepared in the manner stated above.

Concessionaire shall obtain and install cash registers or other accounting equipment acceptable to the State, through which Concessionaire shall record all gross receipts from the operation of the concession. This equipment shall be non-resettable and shall supply an accurate recording of all sales on tape and produce a receipt for each transaction. All such equipment shall have a customer display that is visible to the public. Concessionaire shall make all cash register tapes available to the State upon

State's request. Concessionaire shall provide a cash register receipt to each customer setting forth the full amount of a sale.

12. GROSS RECEIPTS

The term "gross receipts", wherever used in this Contract, is intended to and shall mean all moneys, property, or any other thing of value received by or owed to Concessionaire and any sub-concessionaire or operator, if other than Concessionaire, through or in connection with the operation of the concession, including any concession related business carried on through the internet or catalog sales, or from any other business carried on or in connection with the Premises, or from any other use of the Premises, and/or of any business of any kind that uses the names licensed by this Contract, or that associates with or implies an endorsement by State, all without deduction. The term "gross receipts" shall not include any sales taxes imposed by any governmental entity and collected by Concessionaire.

13. RATES, CHARGES AND QUALITY OF GOODS AND SERVICES

Concessionaire shall staff, operate, manage, and provide all goods, services, and facilities offered in a first-class manner and comparable to other high quality concessions providing similar facilities and services. State reserves the right to prohibit or modify the sale or rental of any item, accommodation, or service for public safety and/or to ensure that the public receives, in the State's view, fair pricing, proper service, and appropriate quality. State reserves the right to prohibit the sale or use of non-recyclable containers or plastics.

Any increased rates or charges to park visitors proposed by Concessionaire following contract approval shall be submitted in writing for the State's approval. Rate increases may not be imposed retroactively.

A competent person shall be on the premises at all times while the concession is in operation. If the on-site manager is other than the Concessionaire, State reserves the right to approve such manager.

Concessionaire, employees and agents shall not engage in activities or discourse with the public which disparage State employees, unit services, or programs and

policies of the State. Concessionaire and their employees, as well as employees of the State, shall conduct business in a professional and courteous manner at all times. Failure to adhere to these standards shall be noted in the Concessionaire Performance Rating” (DPR Form 531), and based on the severity and/or failure to correct after advisement, can be considered grounds for default by Concessionaire.

14. PERFORMANCE EVALUATIONS AND INSPECTION

As part of its administration of this Contract, State will conduct periodic inspections of concession facilities, equipment, services, and programs and prepare written performance evaluations based upon its observations. A “Concessionaire Performance Rating” (DPR Form 531) attached hereto as **Exhibit H**, or other similar format(s) as may be adopted by the State will be utilized for evaluation purposes. State further reserves the right of ingress and egress without notice to inspect concession operations for the purposes of evaluating Concessionaire’s performance of the terms and conditions of this Contract; to inspect, investigate, and/or survey the Premises; and to do any work thereon of any nature necessary for preservation, maintenance, and operation of the State Park System. Concessionaire agrees to cooperate with State in all respects related to the implementation of State’s Concession Performance Evaluation program and with State’s activities on the Premises. State shall not be liable in any manner for any inconvenience, disturbance, loss of business, nuisance, or other damage arising out of State's entry in the Premises as provided herein, except damage resulting from the active negligence or willful misconduct of State or its authorized representatives.

15. HOLD HARMLESS AGREEMENT

Concessionaire hereby waives all claims and recourse against the State, including the right to contribution for loss or damage to persons or property arising from, growing out of, or in any way connected with or incident to this Contract, except claims arising from, and to the extent of, the sole gross negligence or willful misconduct of the State, its officers, agents, or employees. Concessionaire shall protect, indemnify, hold harmless, and defend State, its officers, agents, and employees against any and all

claims, demands, damages, costs, expenses, attorneys fees, expert costs and fees, or liability costs arising out of the development, construction, operation, or maintenance of the Premises property described herein and compliance with all laws, including but not limited to the Americans With Disabilities Act of 1990 as provided for herein, except for liability arising out of, and to the extent of, the sole gross negligence or willful misconduct of State, its officers, agents, or employees or other wrongful acts for which the State is found liable by a court of competent jurisdiction.

16. TAXES

A. By signing this Contract, Concessionaire acknowledges that occupancy interest and rights to do business on state property being offered Concessionaire by this Contract may create a possessory interest as that term is defined in Revenue and Taxation Code Section 107.6, which possessory interest may subject Concessionaire to liability for the payment of property taxes levied on such possessory interest.

B. Concessionaire agrees to pay all lawful taxes, assessments, or charges that at any time may be levied by the State, County, City, or any tax or assessment levying body upon any interest in or created by this Contract, or any possessory right that Concessionaire may have in or to the premises covered hereby, or the improvements thereon by reason of Concessionaire's use or occupancy thereof or otherwise, as well as all taxes, assessments, and charges on goods, merchandise, fixtures, appliances, equipment, and property owned by Concessionaire in or about the Premises.

17. MODIFICATIONS, ADDITIONS, TITLE TO IMPROVEMENTS

In the event that Concessionaire desires to make modifications, improvements, or additions to the Premises or any part of the Premises, including changes to structural design, required accessibility barrier removal work, landscape design, or interior or exterior fixtures, design, and/or furnishings, (collectively "Alteration(s)"), the approval in writing of State shall be obtained prior to the commencement of any Alterations. State shall dictate the plan approval process.

Once any Alteration has been approved by State and the work has begun, Concessionaire shall, with reasonable diligence, prosecute to completion all approved Alterations. All work shall be performed in a good and workmanlike manner, shall substantially comply with plans and specifications submitted to State as required herein, and shall comply with all applicable governmental permits, laws, ordinances, and regulations. It shall be the responsibility of Concessionaire, at its own cost and expense, to obtain all licenses, permits, and other approvals necessary for the construction of approved Alterations.

Title to all Alterations and improvements existing or hereafter erected on the Premises, regardless of who constructs such improvements, shall immediately become State's property and, at the end of the Term, shall remain on the Premises without compensation to Concessionaire. Concessionaire agrees never to assail, contest, or resist title to the Alterations and improvements. The foregoing notwithstanding, State may elect, by notice to Concessionaire, that Concessionaire must remove any Alterations that are peculiar to Concessionaire's use of the Premises and are not normally required or used by State and/or future occupants of the Premises. In this event, Concessionaire shall bear the cost of restoring the Premises to its condition prior to the installment of the Alterations.

18. PERSONAL PROPERTY

Except to the extent covered by Section 17, "Modifications, Additions, Title to Improvements", title to all personal property provided by Concessionaire shall remain in Concessionaire. Concessionaire shall not attach any personal property to any building without first obtaining State's written approval. Unless approved in writing by State, all property attached to real property will be considered a real property improvement and shall become property of State at the time this Contract is terminated.

19. HOUSEKEEPING, MAINTENANCE, REPAIR AND REMOVAL

During the term of this Contract at Concessionaire's own cost and expense, Concessionaire shall maintain and operate the Premises and areas in, on, or adjacent to a distance of not less than fifty (50) feet, including personal property and equipment,

in a clean, safe, wholesome, and sanitary condition free of trash, garbage, or obstructions of any kind. Concessionaire shall remedy without delay any defective, dangerous, or unsanitary conditions.

A. Housekeeping: Housekeeping activities are defined as all those activities concerned with keeping facilities clean, neat, and orderly, and includes, but is not limited to, mowing, raking, sweeping, vacuuming, mopping, stripping, waxing, dusting, wiping, washing, hosing, and other general care or cleaning of interior and exterior floors, walls, ceilings, doors, windows, facility fixtures, and all adjacent grounds and walks. Concession housekeeping shall conform to California State Park standards.

B. Maintenance and Repairs: Concessionaire shall maintain all concession facilities and personal property and equipment on the Premises in good condition and repair at Concessionaire's sole cost and expense at all times during the term of this Contract. Such maintenance shall conform to State Park standards. For the purposes of this Contract, the term "maintenance" is defined as all repair and preservation work necessary to maintain concession facilities and personal property and equipment in a good state of repair, as well as to preserve them for their intended purpose for an optimum useful life.

Should Concessionaire fail, neglect, or refuse to undertake and complete any required maintenance, State shall have the right to perform such maintenance or repairs for Concessionaire. In this event, Concessionaire shall promptly reimburse State for the cost thereof provided that State shall first give Concessionaire ten (10) days written notice of its intention to perform such maintenance or repairs. State shall not be obligated to make any repairs to or maintain any improvements on the Premises. Concessionaire hereby expressly waives the right to make repairs at the expense of State and the benefit of the provisions of Sections 1941 and 1942 of the Civil Code of the State of California relating thereto if any there be. State has made no representations respecting the condition of the Premises, except as specifically set forth in this Contract.

C. Removal and Restoration. At the expiration or sooner termination of this Contract, Concessionaire at its own expense shall remove all personal property

brought onto the Premises by Concessionaire. Concessionaire, at Concessionaire's expense, shall restore and repair the Premises, and any of Concessionaire's improvements or fixtures remaining thereon, to a good, clean, safe, and fit condition, reasonable wear and tear excepted, and shall completely remedy all injuries to the Premises.

20. UTILITIES AND SERVICES

Concessionaire shall be responsible for all costs associated with the installation and provision of all utilities necessary to and used in connection with the Premises, including but not limited to sewage disposal. When installing facilities, no trees shall be trimmed or cut without permission of State. Removal and disposal of all rubbish, refuse, and garbage resulting from concession's operations shall be the Concessionaire's responsibility and shall be disposed of outside the park unit and in accordance with applicable laws and local ordinances. All trash containers and/or trash bins shall be adequately screened to the satisfaction of State.

21. RESOURCE CONSERVATION

A. Environmental Conservation Program: Concessionaire shall set a positive example in waste management and environmental awareness that shall lead to preservation of the resources of the State. Accordingly, Concessionaire shall prepare and execute a program, subject to the prior written approval of the State, designed to reduce environmental impacts that result from concession operations. This program shall address, but not be limited to: solid waste management, including reduction, reuse and recycling; water and energy conservation, pest management, grease removal and disposal, hazardous materials handling and storage, and air quality. Specifically, the program must include the following:

- 1) **Recycling and Beverage Container Programs:** The Concessionaire shall implement a source reduction and recycling program designed to minimize concession and patron use of disposable products, per Public Contract Codes Sections 12161 and 12200 et seq. Reusable and

recyclable products are preferred over "throwaways". Where disposable products are needed, products that have the least impact on the environment will be selected. No Styrofoam containers or other non-biodegradable containers are to be used or sold by Concessionaire. The use of "post-consumer" recycled products is encouraged wherever possible.

The Concessionaire shall participate in the California beverage container redemption/recycling program. Products to be recycled include, but are not limited to, paper, newsprint, cardboard, bimetal, plastics, aluminum and glass. At the start of each Contract Year, Concessionaire and State shall review items sold, and containers or utensils used or dispensed by Concessionaire, and, whenever possible, eliminate the use of non-returnable or non-recyclable containers or plastics.

2) **Water and Energy Conservation:** The Concessionaire shall implement water and energy conservation measures. As new technologies are developed, Concessionaire shall explore the possibility of integrating them into existing operations where there is potential for increased efficiency, reduced water or energy consumption, and/or reduced impacts on the environment.

3) **Erosion Control/Water Quality/Environmental Sensitivity:** The Concessionaire shall comply with all requirements set forth by various oversight agencies that have jurisdiction and oversight authority relating to the Premises and surrounding properties, including, but not limited to, erosion control, water quality and environmental sensitivity standards.

B. **Resource Management and Preservation:** Concessionaire shall comply with State's resource management and preservation mandates in the conduct of all activities that impact cultural, natural, or scenic resources. These mandates include the Public Resources Code Sections 5024 and 5097 et seq. the Department's Resource Management Directives and the Secretary of the Interior's Guidelines for Historic Preservation.

C. Air and Water Pollution Violation: Under State laws, Concessionaire shall not be (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

22. **HAZARDOUS SUBSTANCES**

A. Use of Premises: On the Premises, Concessionaire shall not:

- 1) Keep, store, or sell any goods, merchandise, or materials that are in any way explosive or hazardous;
- 2) Carry-on any offensive or dangerous trade, business, or occupation;
- 3) Use or operate any machinery or apparatus that shall injure the premises or adjacent buildings in any way; or
- 4) Do anything other than is provided for in this Contract.
- 5) Nothing in this Section shall preclude Concessionaire from bringing, keeping, or using on or about said premises such materials, supplies, equipment, and machinery as is appropriate or customary in carrying-on Concessionaire's business.
- 6) Gasoline, oil, and other materials considered under law or otherwise to be hazardous to public health and safety shall be stored, handled, and dispensed as required by present or future regulations and laws.

B. Storage of Hazardous Materials: Concessionaire shall comply with all applicable laws and best practices pertaining to the use, storage, transportation, and disposal of hazardous substances. Concessionaire shall protect, indemnify, defend, and hold harmless the State or any of its affiliates, successors, principals, employees, or agents against any liability, cost, or expense, including attorney's fees and court costs, arising from illegal use, storage, transportation,

or disposal of any hazardous substance, including any petroleum derivative, by Concessionaire. Where Concessionaire is found to be in breach of this provision due to the issuance of a government order directing Concessionaire to cease and desist any illegal action in connection with a hazardous substance, or to remediate a contaminated condition directly caused by Concessionaire or any person acting under Concessionaire's direct control or authority, Concessionaire shall be responsible for all cost and expense of complying with such order, including any and all expenses imposed on or incurred by the State in connection with or in response to such government order. Notwithstanding the foregoing, in the event a government order is issued naming Concessionaire, or Concessionaire incurs any liability during or after the term of the Contract in connection with contamination that preexisted the Concessionaire's obligations and occupancy under this Contract or prior contracts, or that were not directly caused by Concessionaire, the State shall be solely responsible as between Concessionaire and the State for all expenses and efforts in connection therewith, and State shall reimburse Concessionaire for all reasonable expenses actually incurred by Concessionaire therewith.

C. Certification: Upon termination of this Contract, when requested by State, Concessionaire shall provide certification prepared by a Certified Industrial Hygienist that there is no hazardous waste contamination and/or damage to the Premises.

23. EQUIPMENT

Concessionaire, at Concessionaire's own expense, shall completely equip the concession improvements described herein and shall keep the same equipped in a safe and first-class manner throughout the term of this Contract.

24. SIGNS AND ADVERTISING

No signs, logos, names, placards, or advertising matter shall be inscribed, painted, or affixed upon Premises, circulated, or published, including electronically or on

the internet, without prior written consent of the State and only consistent with the purposes of the Contract.

25. PHOTOGRAPHY

State may grant permits to persons or corporations engaged in the production of still and motion pictures and related activities for the use of the Premises for such purposes when such permission shall not interfere with the primary business of Concessionaire. Such permits shall not be deemed to be a competitive activity with regard to Concessionaire's rights to possession and operation under this Contract.

26. INTELLECTUAL PROPERTY RIGHTS

Any names, logos, and/or trademarks developed during and/or pursuant to this Contract that will in any way associate with, identify, or implicate an affiliation with California State Parks shall be approved by State, but, whether or not so approved, shall be deemed to have been developed pursuant to this Contract and licensed hereunder to Concessionaire for the term of this Contract only; shall belong to State upon creation; and shall continue in State's exclusive ownership upon termination of this Contract, and all goodwill and other rights in said marks shall inure to the benefit of the State as the mark owner. Further, any original works of authorship in which copyright resides, and any other proprietary rights, including without limitation trade secrets and know-how, which are developed during and/or pursuant to this Contract, shall be deemed to be works made for hire in consideration of Concessionaire's rights and benefits hereunder, or alternatively Concessionaire agrees to assign such copyrights to the State, and shall be owned by the State; shall belong to State upon creation; and shall continue in State's exclusive ownership upon termination of this Contract.

27. PARTICIPATION IN STATE PARK MARKETING PROGRAMS

Concessionaire acknowledges that the State has an established advertising and marketing program designed to promote additional revenue for the State and to deliver a consistent and positive image to the public, and Concessionaire agrees to participate

in this program in the manner described below without compensation from the State for such cooperation.

A. Concessionaire agrees to honor all statewide graphic standards, licensing, and merchandising agreements entered into with corporate sponsors of the Department of Parks and Recreation.

B. Concessionaire agrees to place on the Premises any advertising that the State approves under this program. Any advertising approved by the State under this program will be placed at State's expense.

Concessionaire agrees to rent or sell, along with all other items of merchandise that are part of the Concessionaire's normal and customary inventory, any item of merchandise that the State approves under this program, provided that Concessionaire is authorized to sell or rent it under the terms of the Contract, and the Concessionaire receives reasonable compensation for its sale.

28. DEFAULT BY CONCESSIONAIRE

A. Defaults: The occurrence of any one of the following shall constitute a default and breach of this Contract by Concessionaire:

1) Failure to Pay Rent: Any failure of Concessionaire to timely pay any rent due or any other monetary sums required to be paid hereunder where such failure continues for a period of ten (10) consecutive days after such sums are due.

2) Absence from Premises: Any complete absence by Concessionaire or its agents and employees from the Premises for thirty (30) consecutive days or longer. The Premises shall be deemed abandoned after State has followed the procedures set forth in Civil Code Section 1951.3.

3) Nuisance: Should Concessionaire create or allow to be created a nuisance on the Premises, State may declare an immediate event of default and enter upon and take possession and/or demand an assignment of the right to operate the Premises without notice to Concessionaire. Concessionaire shall immediately vacate the Premises

and remove all personal property within thirty (30) days after State's declaration of default.

4) Failure to Observe Other Provisions: Any failure by Concessionaire to observe or perform another provision of this Contract where such failure continues for twenty (20) consecutive days after written notice thereof by State to Concessionaire; this notice shall be deemed to be the notice required under California Code of Civil Procedure Section 1161. However, if the nature of Concessionaire's default is such that it cannot reasonably be cured within the twenty (20) day period, Concessionaire shall not be deemed to be in default if it is determined at the sole discretion of State that Concessionaire has commenced such cure within the twenty (20) day period and thereafter continues to diligently prosecute such cure to completion to the satisfaction of State.

5) Involuntary Assignments, Bankruptcy: State and Concessionaire agree that neither this Contract nor any interest of Concessionaire hereunder in the Premises shall be subject to involuntary assignment or transfer by operation of law in any manner whatsoever, including, without limitation, the following: (a) transfer by testacy or intestacy; (b) assignments or arrangements for the benefit of creditors; (c) levy of a writ of attachment or execution on this Contract; (d) the appointment of a receiver with the authority to take possession of the Premises in any proceeding or action in which Concessionaire is a party; or (e) the filing by or against Concessionaire of a petition to have Concessionaire adjudged a bankrupt, or of a petition for reorganization or arrangement under any law relating to bankruptcy. Any such involuntary assignment or transfer by operation of law shall constitute a default by Concessionaire and State shall have the right to elect to take immediate possession of the Premises, to terminate this Contract and/or invoke other appropriate remedies as set forth below, in which case this Contract shall not be treated as an asset of Concessionaire.

B. Notices of Default: Notices of default shall specify the alleged default and the applicable contract provision and shall demand that Concessionaire perform the provisions of this Contract within the applicable time period or quit the Premises. No such notice shall be deemed a forfeiture or a termination of this Contract unless State specifically so states in the notice.

29. STATE'S REMEDIES

In the event of default by Concessionaire, State shall have the following remedies. These remedies are not exclusive; they are cumulative and are in addition to any other right or remedy of State at law or in equity.

A. Collection of Rent: In any case where State has a cause of action for damages, State shall have the privilege of splitting the cause to permit the institution of a separate suit for rent due hereunder, and neither institution of any suit, nor the subsequent entry of judgment shall bar State from bringing another suit for rent; it being the purpose of this provision to provide that the forbearance on the part of State in any suit or entry of judgment for any part of the rent reserved under this Contract, to sue for, or to include in, any suit and judgment the rent then due, shall not serve as defense against, nor prejudice a subsequent action for, rent or other obligations due under the Contract. The claims for rent may be regarded by State, if it so elects, as separate claims capable of being assigned separately.

B. Maintain Contract in Effect: The State has the remedy described in California Civil Code 1951.4 (lessor may continue lease in effect after lessee's breach or abandonment and recover rent as it becomes due, if lessee has right to sublet or assign, subject only to reasonable limitations). The following do not constitute a termination of the Concessionaire's right to possession: (1) Acts of maintenance or preservation or efforts to relet the Premises; (2) The appointment of a receiver upon initiative of the State to protect State's interests under the Contract; (3) Withholding consent to a subletting or assignment so long as such consent is not unreasonably withheld.

C. Continued Performance: At State's option, Concessionaire shall continue with its responsibilities under this Contract during any dispute.

D. Termination of Concessionaire's Right to Possession: Upon an event of default, State may terminate Concessionaire's right to possession of the Premises at any time by written notice to Concessionaire. In the absence of such written notice from State, no act by State, including, but not limited to, acts of maintenance, efforts to relet and/or assign rights to possession of the Premises, or the appointment of a receiver on State's initiative to protect State's interest under this Contract shall constitute an acceptance of Concessionaire's surrender of the Premises, or constitute a termination of this Contract or of Concessionaire's right to possession of the Premises. Upon such termination, State has the right to recover from Concessionaire:

- 1) the worth, at the time of the award, of the unpaid rent that had been earned at the time of termination of this Contract;
- 2) the worth, at the time of the award, of the amount by which the unpaid rent that would have been earned after the date of termination of this Contract until the time of the award exceeds the amount of loss of rent that Concessionaire proves could have reasonably been avoided;
- 3) the worth, at the time of the award, of the amount by which the unpaid rent for the balance of the term after the time of the award exceeds the amount of the loss of rent that Concessionaire proves could have been reasonably avoided; and
- 4) any other amount necessary to compensate State for all the detriment proximately caused by Concessionaire's failure to perform its obligations under this Contract, which, without limiting the generality of the foregoing, includes any cost and expenses incurred by the State in recovering possession of the Premises, in maintaining or preserving the Premises after such default, in preparing the Premises for a new concessionaire, in making any repairs or alterations to the Premises necessary for a new concessionaire, in making any repairs or alterations to the Premises, and costs of clearing State's title of any interest of

Concessionaire, commissions, attorneys' fees, architects' fees, and any other costs necessary or appropriate to make the Premises operational by a new concessionaire.

"The worth, at the time of the award," as used herein above shall be computed by allowing interest at the lesser of a rate of ten percent (10%) per annum or the maximum legal rate.

E. Assignment at State's Direction: In the event of a default by Concessionaire, when cure is not received and acknowledged by State after having provided notice of the breach as provided herein above, Concessionaire shall, in addition to the damages provided for herein, be obligated to assign all rights to occupy, possess, and operate on and in the Premises to State's designee within thirty (30) days of receipt of written demand by State. Concessionaire shall further remove itself and its personal property from the Premises within the same time frame. Concessionaire agrees to execute all documents necessary to effectuate and implement this provision. Upon such assignment, all rights of Concessionaire under the Contract shall transfer to the assignee.

Any designated assignee, as provided for herein, shall take and operate the concession under the same terms and conditions as those set forth herein, except for requirements that have already been performed and are no longer applicable. However, Concessionaire shall not be relieved of obligations incurred. An assignment of the Contract pursuant to the terms hereof shall not cause the Contract to terminate and shall not work a merger.

F. Receiver: If Concessionaire is in default of this Contract, State shall have the right to have a receiver appointed to collect rent and conduct Concessionaire's business or to avail itself of any other pre-judgment remedy. Neither the filing of a petition for the appointment of a receiver nor the appointment itself shall constitute an election by State to terminate this Contract.

G. Right to Cure Concessionaire's Default: At any time after Concessionaire commits a default, State can cure the default at Concessionaire's cost. If State, at any time by reason of Concessionaire's default, pays any sum or does any act

that requires the payment of any sum, the sum paid by State shall be due immediately from Concessionaire to State, and if paid at a later date shall bear interest at the rate of ten percent (10%) per annum from the date the sum is paid by State until State is reimbursed by Concessionaire. Any such sum shall be due as additional rent.

H. Personal Property of Concessionaire: In the event any personal property or trade fixtures of Concessionaire remain at the Premises after State has regained possession or after an assignment is accomplished, that property or those fixtures shall be dealt with in accordance with the provisions for Surrender of the Premises provided below.

- 1) State's Obligations After Default: State shall be under no obligation to observe or perform any covenant of this Contract on its part to be observed or performed that accrues after the date of any default by Concessionaire. Such nonperformance by State shall not constitute a termination of Concessionaire's right to possession nor a constructive eviction.
- 2) No Right of Redemption: Concessionaire hereby waives its rights under California Code of Civil Procedure Sections 1174 and 1179 or any present or future law that allows Concessionaire any right of redemption or relief from forfeiture in the event State takes possession of the Premises by reason of any default by Concessionaire.
- 3) Other Relief: All monetary obligations of the Concessionaire of any kind shall be considered rent. State shall have such rights and remedies for failure to pay such monetary obligations as State would have if Concessionaire failed to pay rent due. The remedies provided in this Contract are in addition to any other remedies available to State at law, in equity, by statute, or otherwise.
- 4) No Buy-out: In accordance with Public Resources Code Section 5080.18 (h), where the Contract has been terminated due to a breach on the part of the Concessionaire under any terms of this Contract the State shall not be obligated to purchase any improvements made by

Concessionaire or to pay the Concessionaire for said improvements before or after taking possession of the Premises.

30. DEFAULT BY STATE

State shall not be in default of the performance of any obligation required of it under this Contract unless and until it has failed to perform such obligation for more than thirty (30) days after written notice by Concessionaire to State specifying the alleged default and the applicable contract provision giving rise to the obligation. However, if the nature of State's obligation is such that more than thirty (30) days is required for its performance, then State shall not be deemed in default if it shall commence performance within such 30-day period and thereafter diligently prosecute the same to completion.

31. SURRENDER OF THE PREMISES; HOLDING OVER

A. Surrender: On expiration or within thirty (30) days after earlier termination of the Contract, Concessionaire shall surrender the Premises to State with all fixtures, improvements, and Alterations in good condition, except for fixtures, improvements, and Alterations that Concessionaire is obligated to remove. Concessionaire shall remove all of its personal property and shall perform all restoration required by the terms of this Contract within the above stated time unless otherwise agreed to in writing.

1) Personal Property: All of Concessionaire's personal property remaining on the Premises beyond such time specified in this Section shall be dealt with in accordance with California Code of Civil Procedure Section 1174 and California Civil Code Sections 1980, or such other laws as may be enacted regarding the disposition of Concessionaires' property remaining at the Premises. Concessionaire waives all claims against State for any damage to Concessionaire resulting from State's retention or disposition of Concessionaire's personal property. Concessionaire shall be liable to State for State's costs in storing, removing, and disposing of Concessionaire's personal property or trade fixtures.

2) Failure to Surrender. If Concessionaire fails to surrender the Premises to State on the expiration, assignment, or within thirty (30) days after earlier termination of the term as required by this Section, Concessionaire shall hold State harmless for all damages resulting from Concessionaire's failure to surrender the Premises.

B. Holding Over: After the expiration or earlier termination of the term and if Concessionaire remains in possession of the Premises with State's express consent, such possession by Concessionaire shall be deemed to be a temporary tenancy terminable on thirty (30) days written notice given at any time by either party. During such temporary tenancy, the Minimum Rent shall be increased by 10% over the Minimum Rent of the last year prior to the expiration or earlier termination of the Contract and in addition to any changes as the result of Consumer Price Index adjustments required by this Contract in accordance with Section 4, "Rent", unless otherwise agreed to in writing by State. 33. ATTORNEYS FEES

Concessionaire shall reimburse the State on demand for all reasonable attorney fees (including attorneys fees incurred in any bankruptcy or administrative proceeding or in any appeal) and expenses incurred by State as a result of a breach or default under this Contract. 36. NONDISCRIMINATION

responsibility of Concessionaire under this Contract, Concessionaire shall be solely responsible for complying with the requirements of the Americans With Disabilities Act of 1990 ("ADA") [Public Law 101-336, commencing at Section 12101 of Title 42, United States Code (and including Titles I, II, and III of that law)], the Rehabilitation Act of 1973, and all related regulations, guidelines, and amendments to both laws.

This compliance is evidenced by the executed Standard Form 21 entitled "Drug-Free Workplace Certification", **Exhibit I**, attached hereto and made a part of the Contract.

39. NATIONAL LABOR RELATIONS BOARD CERTIFICATION

The Concessionaire, by signing this Contract, does hereby swear, under penalty of perjury, that no more than one final, unappealable finding of contempt of court by a Federal Court has been issued against Concessionaire within the two-year period immediately preceding the date of this Contract because of Concessionaire's failure to comply with a Federal Court order that Concessionaire shall comply with an order of the National Labor Relations Board.

40. CHILD SUPPORT COMPLIANCE ACT

In the event the annual gross income generated as a result of this Contract shall exceed One Hundred Thousand Dollars (\$100,000.00), Concessionaire acknowledges that:

In the event State determines that the employment of any such official, employee, associated person, or business entity is not compatible, Concessionaire shall terminate such employment immediately. For breaches or violation of this Section, State shall have the right both to annul this Contract without liability and, in its discretion, recover from the Concessionaire the full amount of any compensation paid to such official, employee, or business entity.

42. WAIVER OF CLAIMS

The Concessionaire hereby waives any claim against the State of California, its officers, agents, or employees for damage or loss caused by any suit or proceeding directly or indirectly attacking the validity of this Contract or any part thereof, or by any judgment or award in any suit or proceeding declaring this Contract null, void, or voidable, or delaying the same or any part thereof from being carried out.

43. WAIVER OF CONTRACT TERMS

Unless otherwise provided by this Contract, no waiver by either party at any time of any of the terms, conditions, or covenants of this Contract shall be deemed as a waiver at any time thereafter of the same or of any other term, condition, or covenant herein contained, nor of the strict and prompt performance thereof. No delay, failure, or omission of the State to re-enter the Premises or to exercise any right, power, privilege, or option arising from any breach, nor any subsequent acceptance of rent then or thereafter accrued shall impair any such right, power, privilege, or option or be construed as a waiver of such breach or a relinquishment of any right or acquiescence therein. No notice to the Concessionaire shall be required to restore or revive time as of the essence after the waiver by the State of any breach. No option, right, power, remedy, or privilege of the State shall be construed as being exhausted by the exercise thereof in one or more instances. The rights, powers, options, and remedies given to the State by this Contract shall be deemed cumulative.
